

## Solarspot Daylighting Systems

Manufacturer's warranty for manufacture and

### **What does the warranty cover?**

Solarspot S.r.l. guarantees that all product purchased and delivered are free from defects in both the product manufacture and materials employed for a period of time from the date of purchase.

### **How long is the period of warrantee?**

Solarspot tubular daylighting systems

The system is covered by a 10 year guarantee for all of the following components:

Dome, flashing, preassembly ring, fixing screws, RIR Light Funnel, Vegalux reflective tubing, ceiling ring, diffuser, all seals, tapes and gaskets.

Electrical items; light kits, daylight dimmers, bathroom extractors etc., are covered by a 12 month guarantee for all components.

If one of these components is adjudged to be defective by Solarspot S.r.l the company will have the right to substitute or repair it as they deem appropriate and return it to the customer free from defect.

The customer should inform the Solarspot S.r.l of any defects within 30 days of the discovery of any defects.

This warranty does not affect you statutory rights under UK consumer law.

### **What is not covered by this warranty?**

Solarspot S.r.l. or Syneco Limited, the UK distribution company for Solarspot S.r.l, is not responsible for, nor does the warranty apply to:

Labour or installation of products.

Product or performance defects as a result of installation incorrectly carried out, incorrect handling, cleaning or storage of the product, intentional acts misuse or abuse, or any circumstances out of the control of either Solarspot S.r.l. or Syneco Limited.
